

iTrust Ψ Wellness Group

HOLIDAY HOURS

iTrust Wellness Group will be closed from 12/25 to 1/1 to allow our providers and staff time to celebrate the holidays with their families.

Any patients who experience a physical or mental health emergency during this time are advised to **call 911** or visit the nearest **emergency room**.

iTrust has worked diligently to ensure that our patients have necessary prescriptions refilled prior to our holiday closure.

Patients in need of an *immediate* medication refill are advised to visit their local Urgent Care center with their current prescriptions to help coordinate care.

Our patients' well-being is important to us, and these are the most effective ways for them to receive care in our absence.

REGULAR HOURS WILL RESUME ON

TUESDAY, JANUARY 2

HAVE A SAFE AND HAPPY NEW YEAR!
